

a partnership between the Shoals Chamber of Commerce and Northwest-Shoals Community College

NW Alabama BEST Educational Partnership & Sponsorship Opportunities

The NW AL BEST Hub currently serves schools in NW Alabama & SC Tennessee.

*BEST™ is a workforce development program,
cleverly disguised as a robotics competition!*

“After 9 years associated with BEST, I am personally convinced that *this is the most effective program in our schools today to generate interest in STEM [Science, Technology, Engineering, Math] studies after high school. With industry support, BEST can reach into every school in Alabama and fuel the development of local talent.*”

~Wes Woods, Toyota Motor Mfg. AL – H’ville, General Manager, Quality and Production Support, 256.682.3187, wes.woods@tema.toyota.com~
